

About Us

Founded in 1905, the Scottish Gaelic Society of Victoria aims to promote, foster and celebrate Scottish Gaelic culture through music and language.

Membership of the Society enables you to attend and participate in monthly ceilidhs, workshops and Highland Gatherings around Victoria and receive the Society newsletter, **Seanchas**.

The Scottish Gaelic Choir

This unique Choir is developing an extensive repertoire of traditional and new Scottish Gaelic songs. Language tuition is provided by a native Scottish Gaelic speaker, while a professional conductor directs the music.

The Choir enjoys performing in the community, at ceilidhs and public concerts.

No previous musical or Scottish Gaelic language experience is required. New members are always welcome!

The Scottish Gaelic Language Class

Suas leis a' Ghàidhlig!
Up with the Gaelic!

The Scottish Gaelic language is an ancient, poetic language with a long oral tradition.

You are welcome to attend the Society's language class. All members have access to library resources, including language books, dictionaries and novels, videos, DVDs and audiotapes.

Classes are guided by an expert native Scottish Gaelic speaker, in a supportive and friendly environment. Students can progress to more advanced and intensive course-work externally.

No previous Scottish Gaelic knowledge is required. New members are always welcome!
